

**Child & Family  
Community Campaign**  
**Naming Opportunities**

*Child & Family* has established a program through which a donor may name or fund specific rooms and areas within *Child & Family's* new building as a lasting tribute in memory or in honor of a loved one, family member, or other honoree. The number of naming opportunities is limited and they are subject to confirmation.

The following opportunities are currently available. Each naming opportunity will receive recognition in the form of a plaque, an appropriate inscription, or other permanent record that expresses the wishes of the donor.

*To discuss the specifics of your naming opportunity please call Child & Family Director of Institutional Advancement, Keith Tavares, at 848-4150.*
